Quay Marine Commercial Hull

At Quay Marine Insurance, we understand the complexities of insuring commercial vessels.

Our Commercial Hull product provides brokers with reliable, flexible solutions designed for vessel owners, operators, and commercial marine businesses across Australia.

Quay Marine Insurance offers a commercial hull policy including comprehensive coverage for a range of working boats, including tugs, barges, and tourist vessels, operating in both inland and coastal waters across Australia.

In addition to covering physical damage, our policies also provide insurance for the liabilities associated with vessel ownership and operation.
