

Marine Cargo Product Profile

Tailored cover. Fast turnaround. Backed by marine specialists.

Marine Cargo

Our Cargo Insurance provides broad, flexible protection for goods in transit—whether your client needs cover for a single shipment or an annual policy.

Using internationally accepted terms plus a suite of additional benefits, the Quay Marine Insurance cargo policies have your client covered for all their import, export, cross voyages and inland transit insurance requirements.

At Quay, we focus on real-world solutions and fast turnaround times, making it easy for brokers to place reliable cargo cover with confidence.

What is covered?

What we Cover

- Annual
- Single Transit
- Imports
- Exports
- World to World

Automatic Extensions

- **Accumulation Clause:** Increased limits for unforeseen build-up of goods in transit.
- **Delayed Unpacking:** Covers concealed damage discovered after delivery
- **Debris Removal & Clean-Up:** Costs covered following an insured loss
- **Buyers & Sellers Interest Protection:** Covers gaps in CIF/contractual arrangements
- **Container & Sealed Container Cover:** Protection for containers and unexplained shortages where seals remain intact.
- **Expediting Expenses:** Airfreight/replacement costs to minimise business interruption.
